III 総合閉会式

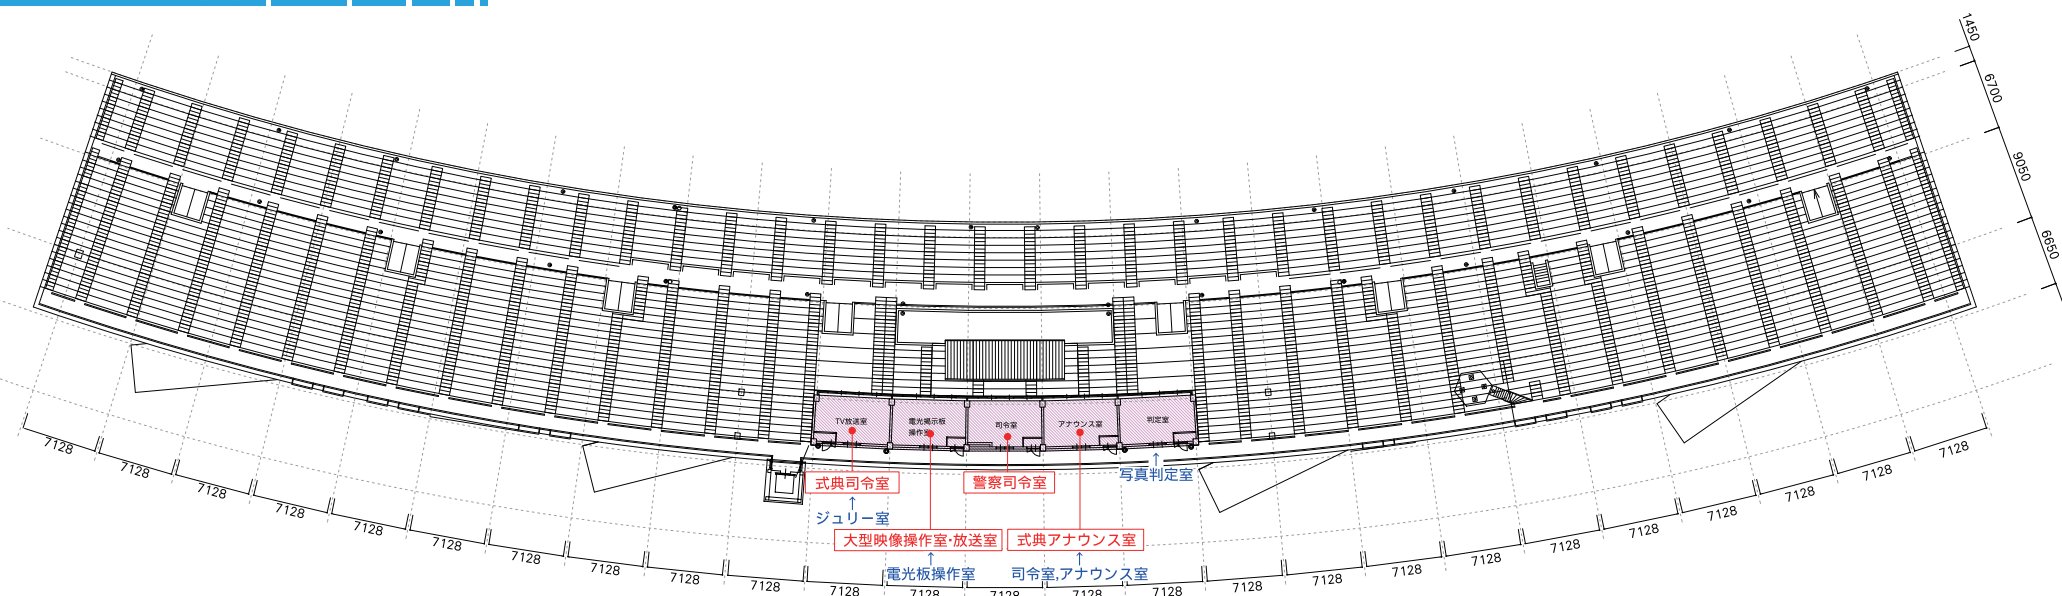

Architectural floor plan of the 2020 Tokyo Olympic Village, showing various rooms and facilities. The plan is color-coded: red for administrative and support rooms, blue for athlete and official rooms, green for the central corridor, and yellow for the main hall. Key areas include the central corridor (170m long), the main hall (14m wide), and the central corridor (170m long). The plan also shows the location of the main hall, the central corridor, and the central corridor. The plan is labeled with various rooms and facilities, including the main hall, the central corridor, and the central corridor.
